Dear Mr. Radke:

I am pleased to inform you that the JT-3 Jaw Tracker has earned the American Dental Association's Seal of Acceptance for a further three-year period. During that time, the Association and Bio-Research Associates, Inc. will maintain a partnership that allows your company to use the Seal in accordance with the enclosed *ADA Seal of Acceptance License Agreement*.

Labeling, packaging and promotional materials that have been approved by the Council to date may be used. Please note that the *Agreement* also requires your company to submit all label or packaging changes and all new promotional materials for approval prior to their use. If there are any changes in this product or in its status with the Food and Drug Administration, your company must notify the Association immediately. Also, your company must abide by the enclosed *Rules for Use of the ADA Seal of Acceptance* and the Association's *Advertising Standards*.

The Council extends its congratulations on receiving the ADA Seal of Acceptance as a symbol of safety and efficacy. The Council appreciates your interest and participation in the Association's Seal Program. If you have any questions, please feel free to contact me at 312/440-2526.

Sincerely,

Clifford W. Whall, Jr., Ph.D.  
Director, Acceptance Program  
Council on Scientific Affairs
