Join us for Dinner & Discussion!

Tuesday, December 1, 2009 / 6:00 PM – 8:30 PM

This is a unique opportunity that you don't want to miss. Come learn about instrumentation that will help you to create predictable and stable results. Hear from internationally recognized speaker, **Dr. Daniel Wai. K Chow**, who has a vibrant practice in a competitive market.

The discussion will include how to:

- Be confident in your diagnosis and construct a knowledgeable treatment plan.
- Easily identify occlusal discrepancies to help achieve a well-balanced bite with the T-Scan.
- Recession proof your practice with a comprehensive exam and records of your appointments.
- Assess TMJ health in 2-minutes with Joint Vibration Analysis

With the accurate and reliable data provided by these technologies you will:

- Enhance patient comfort
- Save time
- Make money
- Protect yourself legally
- Provide better dentistry
